**REQUEST FOR SECOND INTERIM EXTENSION OF PATENT TERM PURSUANT  
TO 35 U.S.C. § 156(e)(2) AND 37 CFR 1.760 DURING PENDENCY OF  
PREVIOUSLY FILED REQUEST FOR EXTENSION OF PATENT TERM**

Sir:

Applicant hereby requests a second interim extension of the term of subject U.S. Patent 4,911,932 during pendency of the previously filed Request For Extension Of Patent Term, pursuant to 35 U.S.C. § 156(e)(2) and 37 CFR § 1.760.

A formal application for extension of the term of U.S. Patent 4,911,932, in full compliance with 37 CFR § 1.740, was filed on April 5, 2006. The undersigned was advised in late 2006 that the final determination and grant of the extension would not occur before the expiration of the original term of this patent on March 27, 2007. Therefore, a first request for interim extension was filed on December 19, 2006, and an Order Granting Interim Extension was issued on March 15, 2007, granting an interim extension for the subject patent until March 27, 2008.

The undersigned was recently advised that, although processing of the formal application is still in progress, the final determination and grant of the extension will not occur before the expiration of the existing Interim Extension on March 27, 2008.

Therefore, this request is being made for a second interim extension of patent term of up to one additional year, or until the final determination and grant of the request for extension of patent term is made, if earlier. This request is being filed more than three months prior to the expiration of the first interim extension, and it is expected that the extension of term applied for will be well in excess of the further one year interim extension requested herein.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account 50-0310 under Client Matter No. 054824-0006.

Please continue to address all inquiries and correspondence relating to this application for patent term extension to:
